RILEY PARK HILLCREST
COMMUNITY ASSOCIATION

Welcome to Summer!

On behalf of everyone at Hillcrest Community Centre – Board, Staff & Volunteers, I want to welcome everyone to experience one of the most exciting seasons of programming we have ever offered.

Now that our popular Spring programs are coming to an end, I encourage our patrons to explore our wide variety of summer programs. We are offering a wide variety of exciting new and unique programs for everyone from young children to seniors and all ages in between.

We know and understand that our programming space is limited and are working hard to increase the number of spaces and programs that can be offered to our every growing community. The continual goal of Riley Park Hillcrest Community Centre Association (RPHCA) is to continue to offer wide ranging programming continue to be the preeminent community centre hub for all manner of community activities in the city.

I would like to take this opportunity to welcome everyone to our biggest annual event - **The Summer Festival** which will take place on Saturday 24 June at Riley Park. The event will run rain or shine and offer something for everyone to come and enjoy. This year we are excited to be working with Vancouver Farmers Market and the City of Vancouver Recyclefest. The Summer festival will have be booths from a variety of food, crafts and interesting vendors and businesses as well as community associations. There will be also be a stage area that will feature performances, demonstrations and interactive activities as well a play area that will include inflatables. Also, for the first time, we are pleased to offer a “try it” pickleball session on the curling club dry floor at the Centre.

I want to take this opportunity to thank the Riley Park Hillcrest Community for making our center the most popular Community Centre for fun and leisure in the City, As President of the RPHCA Board of Directors, I also want to thank our administrative staff, volunteers, our Vancouver Board of Parks and Recreation

partners. It takes a team effort to offer activities and programs for all ages and lifestyles.

In closing I would like to take this opportunity to thank all the staff and volunteers involved in all our programs and extend an invitation to the Hillcrest community to become members of RPHCA and/or volunteer for our committees.

We are always interested in listening to new ideas and suggestions on how we can better serve the Hillcrest community. Please feel free to send an e-mail to president@rphca.ca or send a message on our website or social media.

I want to wish everyone a fun, safe summer and welcome you to the enjoy Summer and welcome, to our ever growing Hillcrest community.
